

2015 FALL SALE ENTRIES

I would like to Invite you to consign to the following sales for this fall. I've listed below the sales and the DEADLINES for entries. Please let me know as soon as possible if you would like to consign so I can schedule you for screening trips planned for late July, August, and Septemeber.

We would like to have some quality Cow/calf Pairs, both spring calving, (old enough to split in ring works very well), and fall calvers. Good Open and Bred Heifers will work, but will sale better if A-I sired and if bred, bred to A-I sires. They should also have good EPDs to sell well. A few of the very best bulls will be accepted. A limited amount of embryos will be considered. Semen from proven sires will also be accepted. Cows should be younger than 7 years of age or very proven Donor cows. If you have any questions, please give me a call.

TO ENTER: Please fill out form on back, (duplicate for more than one Entry), or call or email me by that date to reserve an entry for you. Return form with a \$35 per lot entry fee. (If you send the original registration papers in with entry, no entry fee is required). All cattle will be screened for the sales and a \$50 per ranch/farm screening fee is required at screening. You can also email your entries in to outfrontcattle@gmail.com if you wish.

Looking forward to a tremendous sale and your participation! If you have any questions, please give me a call.
