---------------	-------------

A good crowd enjoyed a great day for weather and cattle buying. One of the best sets of cattle to sell at this unique sale setting. Bred heifers and Open heifers sold extremely well, while some pairs were excellent buys. Everyone enjoyed watching and voting for the best Consignment on Friday afternoon. Heath and Kristi Hyde were rewarded with the "Best Consignment" award with their Pair. The cow sired by HF Hi Definition U08 with a month old bull calf by LT Bluegrass 4017 P. Brett Sayre selected the top 10 lots that were then considered by all in attendance to vote on the one lot as the best!
