OUTFRONT CATTLE SERVICE

Welcome to our largest bull sale ever, and perhaps one of the best quality consignments as well! We have plenty of selections from a wide variety of Charolais Breeders and programs. Most importantly, these bulls will make you more \$\$ with the extra weight your calves will have when you sell them compared to other breed sires! The best way to increase your profit margin, especially when prices are lower, is to sell heavier calves! Charolais bulls do this better than any other breed. They also produce one of the most desirable market calves you can sell! Charolais bulls are also some of the most active and potent sires that will get you more calves per cow exposure. And, they last longer helping you to delay replacing and buying more bulls. Please come evaluate this excellent set of strong muscled, stout built bulls with great dispositions! They are the "Hybrid Vigor" specialist in the beef breed!

*Looking forward to visiting with you at the sale! If we can be of any assistance, please let us know.
Dennis Adams*
