AIRLINE CONNECTIONS

Easterwood Airport, College Station is served from Houston and Dallas/Ft Worth connecting flights. Both Houston George Bush airport and Austin airport are 95 miles from College Station. Dallas/Ft Worth is 190 miles.

TRUCKING

A special trucking arrangement has been made for trucking anywhere in the continental U.S. to a central location. Contact Sale Manager for details.

SCRAMBLE CERTIFICATES

All Texas show scramble certificates will be accepted.

INSURANCE

Will be available at the settlement desk.

HEALTH

All cattle of test age will be tested within 30 days of sale for Brucellosis or T.B. or originate from certified and/or accredited herds for from free states. Proper interstate health certificates will be furnished. All females selling as pregnant will be pregnancy tested within 30 days and called accordingly. All cattle that have been tested PAF will be designated!

TERMS & CONDITIONS

Settlement on all purchases should be made upon conclusion of the sale. Cattle will not be released until settlement is made. Checks should be made payable to OUTFRONT CATTLE Custodial. This sale is conducted under standard sale conditions. A copy is available at the settlement desk.

Bovine Elite will be having a special on Friday, May 2 from 9:00 am to 11:00 am at their facility in College Station. They will offer 10% discount on all paid semen purchases made that day! Some restrictions may apply. Bring your semen tank!

WELCOME FROM OUTFRONT CATTLE SERVICE

Welcome to the 26th Annual Sale of Excellence!

We have another outstanding set of prominent Charolais genetics for your evaluation! Some of the top bloodlines in the breed are represented in this offering. There is something for everyone, from show heifers, pairs, bred cows and heifers, and select open heifers of many different lines. Some spectacular cow families are available if you are looking for some elite genetics. There are some fancy ET heifers from leading sires and named recognition donor cows so you can obtain sisters for uniformity in your herds and yet have some diversity through the sire lines. The “Pick of DeBruyckers” is being offered again and how interesting it has been the influence of that pick on the sale offerings over the years! It has certainly worked to enhance the quality of offerings. We have a super strong set of Pairs this year and some very interesting “splits” that will happen. The donor prospects are rich in number and quality, from leading genetics, including some very proven lines of Fink, which were direct links to some of the cattle they sold as “Picks” in previous sales here!

Few sales have lasted continuously as long as the Sale of Excellence. I think that is due to the quality of cattle presented, the quality of breeders who are fair in their dealings, and the effort they put forth to make this a magnificent event! The fun auction plays a role, that great friendships that have developed over the years, and the event is more than a cow sale, it is entertainment in a comfortable, family-oriented setting! It’s just an enjoyable thing to do!

This year we are also featuring an 1893 Chuckwagon catering service that will be serving cowboy-style cooking that is fantastic for our sale day meal. They were recently filmed for a featured German television morning show in Germany! Congratulations to RTS Catering!

We look forward to your visit and if any of us can assist you in any way, please let us know! We want you to happily start planning for the 27th Annual sale after attending the sale this year!

Sincerely,

Dennis Adams

The DeBruycker "Pick of the Herd" in the 2017 Sale of Excellence, this fabulous donor has been the backbone of her owners ET programs! She averages nearly 30 embryos per flush! She has 80 progenies registered with AICA. Her dam is one of the few cows to be flushed at DeBruycker's and has produced several herd sires! She just calved this April with a DC/CJC Stars and Stripes K3051 beifer calf that is outstanding. With her near perfect udder, and still very sound and large at 11 years of age, this calf will definitely grow fast and big! After selecting B2011, her first calf for the syndicate owners was a heifer that was a high seller at \$9500.00 at the next Sale of Excellence! I'm sure the owners will tell you if they could only own one cow....this would be that COW!

Sells open with purebred recipient cow, BC Ms Equity C15 P ET, EF1215414, born 4/8/2015. (An Equity daughter out of a full sib to M6 Ms E46's Duke 248 donor). Blending the best of Fink genetics with the power of DeBruycker's. Her EPDs rank in the top 35% WW, 30% YW, 35% CW, 15% REA, and 30% TSI. Love the femininity of this prospect, so complete and smooth. Still has the abundance of volume, muscle, and great phenotype.

RE CIGAR GIRL 116 ET

EF1151256 | 116 | 2/16/2011 | POLLED | BWT: 89 | WWT: 685

OWNED BY EVANS CHAROLAIS

With a rich history of pedigree it's no doubt this top female deserved to be in a very elite ET program. She is 14 years old and has 32 calves registered with AICA. She is PAF, and milks extremely well with a very good quality udder, with size and placement. Another great embryo producer in terms of numbers produced. But the quality of the ET calves she produces insures she will be used as long as possible in the ET program. She has several offspring in the sale and embryos. Her dam was in the ET programs for Stallings Charolais, TN, the Berger Charolais, TX, and now in the Crews Farms program, VA. Her dam, C442, produced 31 calves and was in the ET programs for Stallings, M6 Ranch, TX., and Murrath's Double H Farms, GA.

An 8-year old, PAF cow, this magnificent donor is proving her value in embryo production and quality of calves produced. She has 13 progenies, her dam has 11, and granddam 6868, a foundation of Fink genetics has produced 111 calves! 7450 was in the Fink, Larson, and Hargrave ET programs. Her granddam, 6868 cow, is also found in the pedigree of the \$24,000 Larson's Pick of Herd by Ankony, (who has produced a bull being used by Fink). She was also the maternal granddam of LCC Miss Lady 9000 of 3827 GS purchased by Hale Farm, \$9,000 in Fink's 2023 Fall Sale. 6868 also traces back to Morley's JWK Erma E216 donor by Duke 914 and HBR Lady Performer 934, the same mating that created JWK Vanessa D029 and JWK Dixie D088, just to mention two of the 124 offspring produced by 934!

Selling 3-IVF Embryos from mating of SVY Historic 241K and NH Lady 7450 0409 FL. One of the top sons of Countdown, Historic adds tremendous EPDs, ranking in the top 15% CE, 6% WW, 3% YW, 20% MTL, 4% CW, 2% REA, 20% Marb, and 7% TSI. The very proven Larson donor 6868, that has produced 111 progenies descended from Morley's great donor cow, JWK Erma E216 ET, (one of Fink's first Charolais purchase). This will be an exciting mating to use in any program! A full sister to Historic sold for \$80,000.00.

ET Polled bull calf, born 12/17/24, from ET mating of JMAR Hosea 2M70 x NH Lady 7450 0409 FL. E9192 was implanted with another embryo, LHD Cigar E46 x NH Lady 7450 0409 FL embryo on 3/19/ 2025. A big, feminine, beautiful, designed brood cow, E9192 is sired by the \$50,000 BHD Asset that was known for superb growth in his calves. Her dam, a very productive mating from Oak Hill using Duke 914 to blend with the Australian sire, Peugeot, noted for growth & thickness! A son of E9192 was used as a herd sire and did a great job! His bull calves were quickly selected by ranchers!

Implanted 1/9/25 with embryo from mating of RBM Keystone H41 x LCC Miss Lady 8872 4297 GS, same mating as the powerful ET heifer of Evans Ranch, lot 19. The 8872 donor cow, owned with Arlitt, Evans, and Allen, has one of the best udder's in the breed. Her calves have been awesome. 710 was selected for an embryo because of the tremendous job she does milking, super disposition, and easy fleshing ability. The Maureen cow family is a time-tested, extremely productive line! The Keystone calves are turning heads! Some of the top bulls sold in Herndon's 2024 sale were Keystone sired!

Sells bred A-I on 12/6/2024 to DC/CRJ Tank E108 P; PE from 12/27/24 to Fink 3163 of 4294 GS. A beautiful, designed heifer, very complete, powerful, yet feminine. Great depth and natural muscling exhibits easy fleshing ability and great udder development for her age! Her masterful mating to Tank should insure a very desirable calf with plenty of eye-appeal, thickness, and extra growth the DeBruycker cattle are noted for. She ranks in top 20% for WW and 25% for YW EPDs. Safe to A-I Date.

Sells bred on 12/1/24 to Fink 3163 of 4294 GS, EM992421, an outstanding Gold Standard son! Many breeders will delete this heifer because she is horned genetics. But a careful thought of using her with one of many homozygous Polled bulls may produce a unique combination of powerful lineage. Kevin Moore bred some great cattle, and said he thought it would be awesome to go pick the best horned cow at DeBruyckers and breed to a homozygous bull! It would almost be an outcross in many ways. Be innovative and think of the possibilities, especially with such a stout, good-looking, high-quality heifer!

Sells Open. The Cash daughters were very functional females with tremendous femininity, skeletal correctness, and eye-appeal. Equity topped the DeBruycker sale at \$32,000 and later sired Asset for \$50,000.00. Ms Clarice 2809 donor was very productive for Arlitt and Evans. She produced several sale topping lots in many sales. One a Cigar daughter sold for \$9,000 as a calf in the Sale of Excellence to M6, who later sold her as a pair for \$24,000.00. She had a very exceptional udder quality that she passed on to her daughters and with the superior milking ability of President, this heifer should excel as well.

41A: Pld heifer calf #502, born 2/1/25, bw 79 sired by DC/BHD Megillah H33 P. Perfectly designed brood cow, 163, would be a full sib to JDJ Maximo A18 P. McCurdy's are using a son of Y322 sired by Cigar, RE Destiny 747, that has 104 progenies registered. He has done a superb job, siring super thick, functional, fast-growing calves like lot 33. Y322 has 43 progenies on the ground. A full maternal sib, (C3228), to 163 also produced McCurdy's new herd sire, RE Power House 345 ET. This bloodline works for productive, profitable cattle!

Sells bred PE from 5/15/24 to 1/9/25 to SC Whistle Maker 903, EM942653. He is a very impressive M6 Bells & Whistles 258 P son out of a great LT Rio Blanco 1234 P daughter! What a beautiful, sculptured female! Long feminine neck, strong top and big square hip with plenty of depth and bone. The G262 produced 16 calves, mostly ET calves, for Lehman's, TX. A daughter of Ms Perfect Edge 035 was purchased in the 2024 Sale of Ex by Bennie Monthie, TX. 035 is a tremendous producer, very fertile!

Sells Open, ultra feminine heifer and one of the longest bodied heifers in the sale. A very eye-appealing heifer and Commander 260, was a full sib to CJC Mr President T122. WM Ali Star 250 was an AICA #1 Multiple Trait sire at one time as were many Duke 914 sons in the history of the breed. She also traces to HCR Mac 9176, a Mac 828 son used heavily by M6 Ranch for many years quite successfully! She ranks in top 30% WW, 35% YW, and 30% REA in important growth trait EPDs.

Sells Open, another well-bred, solid pedigree heifer in this super prospect! Her maternal granddam sold at one time for \$45,000 in California by Byrd Cattle Co. She produced 46 progenies, including a herd sire for Hyde, Biggs, and Evans. They also purchased 16 99 for the ET programs. Another big, powerful heifer with tremendous muscling, volume, and frame. She ranks in top 25% WW, 30% YW, 35% CW, and 20% REA for EPDs. Take all these Roosters home for a great herd of productive females!

Sells Open. Her dam is a full sib to one of the highlights of the 2024 Sale of Excellence, RE Lady Spur 24 ET, that sold for \$6250.00 to the Hughes' and they had several calls on the way home if they would consider reselling her! Their dam, JDJ Ms Spur S3099, was a Pick of the Fall first calf heifers at DeBruyckers. Her sire, SSR Mr Spur 3328 was also the sire of JDJ Ms Spur R120, the dam of the illustrious donor, JDJ Ms Cigar B2011. Pegasus is the sire of Shazam that sired the high selling bulls at DeBruycker's 2023 bull sale going to LT Ranch at \$60,000 and \$28,000 respectively. Pegasus has become one of the great ones!

Sells Open. A unique combination of older genetics tied into the new! Many breeders said after the Creighton dispersal they were going to follow Bo and breed lots of Sir Perfection 0138 daughters because they milked so well and were so successful as brood cows. Here are two sisters, 65 and 66. This heifer is rich in blood as being out of the Rachel Alex 950, a donor Hyde and Evans. 950 is also a full sib to CJC Mr President T122 and Evans' herdsire RE Commander 260 that has done a great job! She produced 46 progenies and her dam 15. Note that King is also a maternal sib to DC/BHD Shazam, that sired the high selling bulls in 2023 at DeBruyckers.

Bred A-I on 3/15/25 to LT Atlas 0251 Pld, M943509. Tank was the most used A-I bull in the breed in 2024 because he does so many things well. His calves grow well, perform, and sell exceptionally well. His daughter's milk well, are fertile, and have good dispositions. Dam descends from Wright's Capital Gain and traces to the First Draft bull of Taconey Plantation, a Riverman son from DeBruycker with Mac 809 and Polled Unlimited 003 for strong maternal ability. Should be an exceptional broodcow.

90A: Pld Heifer calf, born 8/29/24, sired by LCC Fully Loaded 9742. DUE 9/18/25 to DC/CRJ Tank E108 P. An ultra feminine brood cow with clean, elongated neck, deep bodied, and perfect attached udder with super teat placement. Her dam has produced 14 progenies, granddam, 9145 has 48 progenies, and 9407 has 16 for tremendous family fertility and production. One of the background animals is Gilbert Link's LC-ACE Prime Up 9119, that was popular in his time. Top 9% Marbling EPD! Those Grid Maker cows have had major influence in the breed and many great individuals are out of those daughters.

91A: Pld Heifer calf, born 12/4/24, sired by WC Inferno 6561, a Rushmore son out of a Blue Value female. DUE 11/4/25 to Leachman Anthem P02G. This female is HOP and PAF with a top 15% CE, 10% BW, and top 1% Marb EPDs. Her dam produced a JMAR Jefferson daughter that was purchased by SS Cattle Co, OK as a highlight of the 2024 Southern Connection sale! Lehmann have retained a sister as well. Big, deep bodied cow with abundant volume and easy fleshing ability! Her udder quality is another great value to this selection.

92A: Pld beifer calf, born 9/22/24, sired by LCC Fully Loaded 9742. Bred A-I on 12/1/24 to WC Encompass 0507 P, and PE from 2/1/25 to 3/31/25 to LCC Fully Loaded 9742. Savanna 9009 donor produced 21 progenies and was also used heavily in the Double-H ET program. Juliet is a very heavy milking cow with super udder quality! Her overall volume is tremendous and displays a great brood cow appearance with her spring and depth of rib, strong top line, a big square hip! A super bonus is available in observing how elite her 2024 heifer calf compliments her as a top producing brood cow!

This has been a highlight of the Sale of Excellence for many of the 26 years!

One of the greatest benefits to the breed has been the opportunity to go into this outstanding herd of BEEF cattle and select a matron that can have a huge influence among the breed. From the selection by Camp Cooley at \$25,000 in 2002, JDJ Ms Perfect G166, that had a monumental effect on that large program to JDJ Ms Cigar B2011 that has been very influential to consignments of her offspring to this sale! Her first calf commanded \$9500.00 in the next Sale of Excellence! And there are many selections in this Hall of Fame that have been successful. BHD Ms Cobalt Z767, the dam of DC/BHD Shazam, that sired the \$60,000 high dollar bull in DeBruycker's 2023 sale and the high selling bull in their 2025 sale, \$32,000 to Alan Vedvie, SD., sired by DC/BHD Flash G3227 ET, another Z767 son. Both sired by DC/JDJ Pegasus D3330, another sire influence in the Sale of Excellence. The pick of 2024 was the grandam of Bobby Keabey, AL. and Bradford Agriculture's herd sire from DeBruycker, DC/CJC Sage K1175. Selection must be made by August 1, 2025. If a pair is selected and the cow has a bull calf at side, DeBruycker's retain a ¼% interest in the bull calf a once in a lifetime opportunity! Selection should be made by August 1, 2024.

26TH ANNUAL SALE OF EXCELLENCE

THANK YOU FOR YOUR INTEREST

Please contact the sale manager or consignors with questions.
We look forward to seeing you in College Station!

PAYWEIGHT STARTS

HERE

The power of payweight starts with a registered Charolais bull. Superior weaning weight matters in your operation, and every pound translates to profit. Rely on the Payweight specialist to deliver more dollars per head per calf weaned.

To make a difference on your next calf crop, start with Charolais.
