WELCOME TO THE 2026 AMERICAN PATRIOT SALE !!!

A very special sale event honoring our Veterans and past customers of JFS Ranch and welcoming our future customers! Please join our family of Charolais enthusiast for some of the best in the breed!

It is my honor to be working with generations of Stretchers that have committed over 100 years to the Agricultural endeavor of raising outstanding beef genetics and great stewards of the land! You will not find any breeder with more tenacity of reaching for the peak of quality beef genetics than the Stretchers! They have devoted their resources, time, and efforts to be able to offer you some of the best Charolais genetics available in the breed today!

To make this sale outstanding, they have reached deep into the herd to offer some of the finest Charolais available today! Kelly has purchased cattle from some of the top breeders in the nation, such as Wienk, DeBruycker, Eaton, Fred, Doll, and foundation females from ZOE and Lewis! They are offering samples from all these herds to make it easy for you to obtain some of the best genetics available! And some of these cattle are home raised using the best of those genetics as well! You can also purchase with confidence that they stand behind their cattle for complete satisfaction!

Sharing opportunities to invest in semen from DC/MD Old Glory, the high-selling bull in the 2026 DeBruycker sale at \$57,000.00. He had breeders from all the U.S. and Canada attempting to add him to their herds. Kelly prevailed and is sharing in his fortune to obtain those genetics! Thanks to the guests consignors that have also dug deep into their herds to offer some exciting genetics!

Please join us Friday evening for a ranch party with excellent food and festivities! They are some of the most hospital hosts and you will enjoy the extra time visiting with other cattle breeders and guests! If any of us can be of assistance, please give us a call!

Yours in Charolais!

Dennis Adams

PATTY & KELLY STRETCHER

Grand kids are an important part of our family and we hope to share our love of Agriculture, our Family Ranch Legacy, and Charolais Cattle to them!

Howdy Friends,

Welcome to the Stretcher/JFS Ranch second annual American Patriot Sale. We are proud to welcome you back to the ranch in Mount Vernon, Texas, on November 14, 2026, and sincerely appreciate your interest in our Charolais program.

The Stretcher family has been in the cattle business for more than 100 years and in the registered seedstock business for more than 60 years. Through the generations, our goal has remained simple: produce practical, functional cattle that work for cattlemen. We have worked diligently to build a Charolais herd that serves both commercial cattlemen and purebred breeders. Our bulls are selected to sire calves with sensible birth weights, strong growth and added pounds at weaning, while our females are bred for fertility, longevity and the ability to perform in the ever-changing Texas environment. We believe this year's offering represents a strong set of cattle, and we invite you to study them closely.

Our commitment does not end when the gavel falls. We want our cattle to work for you not only today, but for years to come. With more cattle now purchased online, we take seriously the responsibility of representing every animal honestly and accurately. If you purchase a JFS bull or female online, we guarantee your complete satisfaction when the animal arrives at your ranch—or you simply will not own the animal.

Most importantly, the American Patriot Sale is about more than cattle. We remain grateful to the veterans who made the ultimate sacrifice, to all who have served, and to the men and women who continue to protect the freedoms we enjoy. We are honored to carry that spirit of gratitude into this sale.

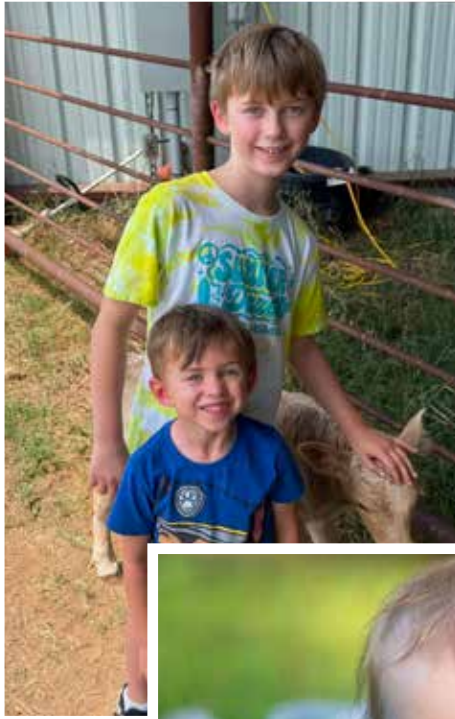

Thank you for your friendship, your confidence in our program and your interest in this year's offering. We look forward to welcoming you to the ranch and sharing another American Patriot Sale with you.

God Bless America,
Kelly & Patty

"May we never take our Freedom for Granted"

Our first female to sell bred to DC/BHD Old Glory N1250 P! 2 full ET sisters sold in the 2025 sale for \$10,000 each to DeBruycker Charolais. You will love her feminine makeup, very clean-fronted, long necked, great udder quality. A bit of outcross with the Canadian influence of Pleasant Dawn Chisum, the sire of JMAR Jubal 5P01. A Jubal son was a high selling bull at the Circle F Sale at \$30,000.00. Her dam is a featured Donor with 16 calves produced! She does it all!
